

# Me Vs. The World

Halo Friendlies

Hey boys, Hey girls, Hey anybody who will listen to me  
In case you haven't noticed its just me against the world today

I fell out of the wrong side of the bed and landed in the worst  
mood

The stupid alarm clock screaming at me from across the room

I'm trying to be nice I'm trying to be reasonable but its oh so  
hard when I don't want to be

If your looking for that nice girl from the day before don't bo  
ther she don't live here anymore

'Cause its me against the world (oh what a stupid day)

Yeah its me against the world (just stay out of my way)

And in case you haven't noticed and in case you haven't heard i  
ts just me against the world

And the world is winning

You should have let me stay in bed I've got this pounding in my  
head

No nothings ok won't you stay out of my face today I'm slamming  
doors I'm slamming phones down

Watch out for this temper tantrum

Stay outta my way cause if you don't you'll be scared away

I'm trying to be nice I'm trying ot be reasonable but its oh so  
hard when I don't want to be

If your looking for that nice girl from the day before don't bo  
ther she don't live here anymore

'Cause its me against the world (oh what a stupid day)

Yea its me against the world (just stay out of my way)

And in case you haven't noticed and in case you haven't heard i  
ts just me against the world

And the world is winning

I'm gonna be impossible

I've gotta tell you I'm seeing red

I've gotta tell you I'm seeing red

I've gotta tell you I'm seeing red

I'm gonna make you believe what I say

I'm gonna make you

'Cause its me against the world (oh what a stupid day)

Yea its me against the world (just stay out of my way)

And in case you haven't noticed and in case you haven't heard

It's just me against the world

It's just me against the world

And the world is winning
