

# The Damned

Hammercult

Forever betrayed by the righteous  
Alone in the eye of the storm  
But no man can shatter my spirit  
By strength and by steel I will roam

Into the eyes of The Damned  
Gazing at the truth of my soul  
Cursed yet forever unbound  
Immortal I stand above all

WE ARE THE ONES AGAINST THE GRAIN  
WE ARE The Damned AND WE ARE FREE  
WE ARE THE ONES AGAINST THE GRAIN  
WE ARE The Damned AND WE ARE FREE

Dethrone the saints and messiahs  
We take back our fate in our hands  
By free will we rule this empire  
Forever we're cursed and condemned

There are no chains that can hold me  
No blade that can pierce through my skin  
I'm covered by the marks of pure evil  
So proudly adorned by my sins

Into the eyes of The Damned  
Gazing at the truth of my soul  
Cursed yet forever unbound  
Immortal I stand above all

WE ARE THE ONES AGAINST THE GRAIN  
WE ARE The Damned AND WE ARE FREE  
WE ARE THE ONES AGAINST THE GRAIN  
WE ARE The Damned AND WE ARE FREE

Rise in the tide of destruction  
We strike in the heart of the source  
Our birth rights of free will and freedom  
Are taken by blood and by force

Into the eyes of The Damned  
Gazing at the truth of my soul  
Cursed yet forever unbound  
Immortal I stand above all

WE ARE THE ONES AGAINST THE GRAIN  
WE ARE The Damned
