Child of the Damned

HammerFall

You made me see right past myself, well beyond my fears, realized I'm synchronized, far beyond my years I'm so geard unto them, I serve unto their souls now that I'm addicted, my hunger only grows

I'm a child of the damned, I follow where I go rigging to the cross, as holy as a whore I'm just a child of the damned

Witches coven, the time has come for those sabbatical years, revelation is the message, for all in all to hear Prophets slayed, mankind arrayed into mass submission evil's here, the lord of hell gives you the proposition

I'm a child of the damned, I follow where I go rigging to the cross, as holy as a whore I'm just a child of the damned

Give away your life goals, your meaning and ambition it means nothing to you, after all it's superstition Do not be afraid, the world is near the end is it better to rule in hell, than it is to serve in heaven?

I'm a child of the damned, I follow where I go
rigging to the cross, as holy as a whore
I'm just a child of the damned
