

I Want Out

HammerFall

From our lives' beginning on
We are pushed in little forms
No one asks us how we like to be
In school they teach you what to think
But everyone says different things
But they're all convinced that they're the ones to see

So they keep talking and they never stop
And at a certain point you give it up
So the only thing that's left to think is this

I want out
To live my life alone
I want out
Leave me be
I want out
To do things on my own
I want out
To live my life and to be free

People tell me A and B
They tell me how I have to see
Things that I have seen already clear
So they push me then from side to side
They're pushing me from black to white
They're pushing 'til there's nothing more to hear

But don't push me to the maximum
Shut your mouth and take it home
'Cause I decide the way things gonna be

I want out
To live my life alone
I want out
Leave me be
I want out
To do things on my own
I want out
To live my life and to be free

There's a million ways to see the things in life
A million ways to be the fool
In the end of it, none of us is right
Sometimes we need to be alone

No no no no no no
Leave me alone
To live my life alone
I want out
Leave me be
I want out
To do things on my own
I want out
To live my life and to be free

I want out
