

Keep the Flame Burning

HammerFall

Standing at the crossroads, were the future meets the past
Oh can't you feel, there's magic in the air
We're noble knights and mighty men, with the power to assay
Faithful and true, let our deeds show you the way

Glorious, we live and we die
Our courage will unite

In our hands we hold the future, carry on
In our hearts, eternally, we Keep The Flame Burning

Hear the sound of roaring thunder, and the sound of raging steel
In the battle of thrust our sprits will reveal

Glorious, we'd rather die
with honour than to live with shame

In our hands we hold the future, carry on
In our hearts, eternally, we keep the flame...
burning deep inside forever, shining on
And in our hearts for all eternity we Keep The Flame Burning

We stay as we are, now the first crusade is won
Let it be written, let it be done

In our hands we hold the future, carry on
In our hearts, eternally, we keep the flame...
burning deep inside forever, shining on
And in our hearts for all eternity we Keep The Flame Burning
