

## Keep the Flame Burning

HammerFall

Standing at the crossroads, where the future meets the past  
Oh can't you feel, there's magic in the air  
We're noble knights and mighty men, with the power to assay  
Faithful and true, let our deeds show you the way

Glorious, we live and we die  
Our courage will unite

In our hands we hold the future, carry on  
In our hearts, eternally, we Keep The Flame Burning

Hear the sound of roaring thunder, and the sound of raging steel  
In the battle of thrust our sprits will reveal

Glorious, we'd rather die  
with honour than to live with shame

In our hands we hold the future, carry on  
In our hearts, eternally, we keep the flame...  
burning deep inside forever, shining on  
And in our hearts for all eternity we Keep The Flame Burning

We stay as we are, now the first crusade is won  
Let it be written, let it be done

In our hands we hold the future, carry on  
In our hearts, eternally, we keep the flame...  
burning deep inside forever, shining on  
And in our hearts for all eternity we Keep The Flame Burning
