

# The Unforgiving Blade

HammerFall

When the sky is turning black, you fear the dawn  
Your inner voice compels you, but you're all alone  
Thy secret sense lies still obscure within your shattered dream  
s,  
and all you can do is scream

Long ago you spoke the words of heresy  
Twenty years of running brings back memories  
All your wisdom made me seek the truth that lied beyond  
my inner dreams

"Follow the one that fell from the crimson skies"  
I remember the words, I can never forget your demise

And now your world's falling down  
For all the games that you played  
And as your soul's falling down  
You'll meet The Unforgiving Blade

Should have seen it coming  
when you rolled the dice  
Deeper and deeper, falling,  
away from your paradise

Innocent eyes observing the Crimson Skies,  
awaiting for someone to heal the burning lies

And now your world's falling down  
For all the games that you played  
And as your soul's falling down  
You'll meet The Unforgiving Blade

And now your...
