

## For The Ax

## Hammers of Misfortune

I have come to collect on a bargain  
Now you must make good on your promise  
For the Ax, the source of your power  
An oath you swore in that black abyss  
Build a great road to the forest  
Use the ax to strike the first tree  
Wide and straight into the village  
Only then will you appease me

Now I understand all of your treachery  
How could this be.. This evil destiny?

How could you ask this of me?  
(You swore)

My sacred forest home  
(To me)

The only thing in this life  
(Do this)

That I can call my own  
(For me)

Cursed is the day I met you  
(I lied)

Cursed is this wretched throne  
(To you)

I'll Take this life you ask me  
(What can)

And then I'll take my own  
(You do?)

It is done
