

## Let Me Be

Hana Pestle

Tonight I feel so angry  
Tonight I feel so lonely  
Tonight I know you're angry with me  
And I'm sorry

Don't cry, baby  
Hush, don't cry, baby  
Hush, don't cry, baby  
Hush, don't cry...  
Just let me be.

You know that this one's gonna,  
it's gonna leave a scar now baby  
Maybe it's something in your past...  
Cause your presence has no mystery...

Don't cry, baby  
Hush, don't cry, baby  
Hush, don't cry, baby  
Hush, don't cry...

Oh... Oh...  
Oh... Oh...

Everything's gonna be alright  
Yeah, yeah...

Don't cry, baby  
Hush, don't cry, baby  
Hush, don't cry, baby  
Hush, don't cry...  
Just let me be  
Just let...  
Just let...  
Just let me be.

Oh...

Just Let Me Be
