

Let Me Be

Hana Pestle

Tonight I feel so angry
Tonight I feel so lonely
Tonight I know you're angry with me
And I'm sorry

Don't cry, baby
Hush, don't cry, baby
Hush, don't cry, baby
Hush, don't cry...
Just let me be.

You know that this one's gonna,
it's gonna leave a scar now baby
Maybe it's something in your past...
Cause your presence has no mystery...

Don't cry, baby
Hush, don't cry, baby
Hush, don't cry, baby
Hush, don't cry...

Oh... Oh...
Oh... Oh...

Everything's gonna be alright
Yeah, yeah...

Don't cry, baby
Hush, don't cry, baby
Hush, don't cry, baby
Hush, don't cry...
Just let me be
Just let...
Just let...
Just let me be.

Oh...

Just Let Me Be
