

You say that you're lost  
But you're just a lost cause

Where will you go  
When you're all alone  
In a smoke filled bathroom  
That's not your own

Within the blink of an eye  
You turned and walked away  
You left us all behind

You say you say that you're lost  
But you're just a lost cause  
Was the price you paid worth the cause?  
You say you say that you're lost  
But you're just a lost cause  
Was the price you paid worth the cause?

Did you find what you've been looking for?  
Or are you still in search of something something more?

You say you say that you're lost  
But you're just a lost cause  
Was the price you paid worth the cause?  
You say you say that you're lost  
But you're just a lost cause  
Was the price you paid worth the cause?

Within the blink of an eye  
You turned and walked away  
You left us all behind

You say you say that you're lost  
But you're just a lost cause  
Was the price you paid worth the cause?  
You say you say that you're lost  
But you're just a lost cause  
Was the price you paid worth the cause?
