

Helena Montana

Hank Green

Helena Montana (Helena Montana)
Helena Montana (Helena Montana)

Gold and cows and chopping trees
These are the industries
Of Helena Montana

They serve your eggs with butter
And there were Peeps in the gutter
Oh Helena Montana (Helena Montana)

We played Frisbee at the capitol
And looked at lots of belt buckles
Helena Montana

Please check your guns at the door
Fat guy in a candy store
Helena Montana (Helena Montana)
