

I Don't Have A Favorite Pony

Hank Green

There's something happening on the internet
And I don't really get it.
Once again I have to say I'm not into that
But I'm sure that I'll regret it,
Cause I know thousands of people never cared about anything more.
They spent the last 6 months making tumblrs, fanpics and bulletin boards.
And I think all that excitement is great,
But when they ask I have no choice.
I still have to say,

That I don't have a favorite pony,
Cause I've never seen that show
And I don't have a favorite pony
Cause I'm 31 years old,
And I don't have a favorite pony,
Cause I'm a self respecting dude,
And I don't have a favorite pony
Cause I, like, just can't choose.

Dash the Pegasus has rainbow hair and the cutest cutie mark,
And Apple Jack is the strongest mare, always working so hard,
And Flutter Shy has totally got that Marilyn vibe goin'
On but when it comes to the beauty prize oh Rarity's already won,
And Pinky Pie's excitement could fuel a jet plane,
But Twilight's the nerdiest and that goes a long way.

But I don't have a favorite pony
Cause I've never seen that show,
And I don't have a favorite pony
Cause I'm thirty-frickin'-one years old,
And I don't have a favorite pony
Cause I'm a self respecting dude,
And I don't have a favorite pony
Cause I just can't choose.

Well my goal is to make this into a better planet
And I don't take that lightly.
I should be working my butt off all day damn it and
With any luck I might be.
But it's equally probable that instead of changing the world
I've spent the last 6 hours watching a cartoon made for little girls.
Battles in the real world are so complexly won,
It's all so much simpler in Equestria,

But I don't have a favorite pony
And I don't even know
And I've spent the whole day trying to pick by watchin' all episodes,
I don't have a favorite pony
Cause I'm a self respecting guy
And I don't have a favorite pony cause I,
I like Spike.
