

Shake-a-booty

Hank Green

You want us to think that you're just messin' around, yeah
You play your life like it's a game of two hand touch
You think if you screw up that you will never live it down
And it won't matter if you suck if you don't take it serious

But the time I really love you's when your out there on the floor
And I can see it in your eyes that you just don't care anymore
Makin' a mistake is just a chance you gotta take
Girl you gotta shake-a-booty, shake-a-booty
Shake
Shake

Shake-a-booty-ah, yeah, shake-a-booty
Well shake-a-booty-ah, shake-a-booty
Shake
Well makin' a mistake is just a chance you gotta take
Girl you gotta shake-a-booty, shake-a-booty, shake-a-booty
Shake
You gotta shake-a-booty, shake-a-booty
Shake
Shake-ah

If you lived your life the way you live it while you dance
You know the whole world would be at your feet
Nothing ever happens if you never take a chance
And as long as you live like this, you'll never be complete

But the time I really love you's when your out there on the floor
And I can see it in your eyes that you just don't care anymore
Makin' a mistake is just a chance you gotta take
Girl you gotta shake-a-booty, shake-a-booty, shake-a-booty
You gotta shake-a-booty, shake-a-booty
Shake
Shake-ah

Shake-a-booty, nah, yeah, shake-a-booty
Well shake-a-booty-ah, shake-a-booty
Shake
Well makin' a mistake is just a chance you gotta take
Girl you gotta shake-a-booty, shake-a-booty, shake-a-booty
Shake
You gotta shake-a-booty, shake-a-booty
Shake
Shake-ah

I can tell you want this life
And I can tell you want it bad
Can you tell me that this is
The most fun you've ever had
Everybody sucks, yeah
We all make mistakes
But no one can shake-a-booty
Like you shake it
Shake
Shake-ah

Shake-a-booty-ah, now shake-a-booty

Well shake-a-booty-ah, shake-a-booty
Shake
Well makin' a mistake is just a chance you gotta take
Girl you gotta shake-a-booty, shake-a-booty, shake-a-booty
Shake
You gotta shake-a-booty, shake-a-booty
Shake
Shake-ah
