## **Act Naturally**

**Hank Locklin** 

They're gonna put me in the movies They're gonna make a big star out of me We'll make a film about a man that's sad and lonely And all I gotta do is act naturally Well I'll bet you I'm a gonna be a big star Might win an Oscar you can never tell This movie's gonna make me a big star Cause I can play the part so well I hope you'll come to see me in the movies For then I know that you will plainly see The biggest fool that's ever hit the big time And all I gotta do is act naturally And all I gotta do is act naturally
