

Cry Cry Darling

Hank Locklin

Cry cry darling that's what I do if you'd leave me with the blues

Cry cry darling that's all I do if it's you I should lose

For me there'd be no moonlight if ever we should part

Cry cry darling that's what I do cause you're the one in my heart

My eyes will cry and never dry if you should go

When shadows creep I'll just weep all night I know

You know how much I'd miss you if ever we should part

Cry cry darling that's all I do cause you're the one that's in my heart

Cry cry darling that's all I do cause you're the one in my heart
