

Heart Full Of Love

Hank Locklin

I traded a heart full of love for a handful of kisses that you
were just throwing away
I traded a lifetime of dream for a few carefree moments
That you felt like wasting that day
If I had known you didn't care I wouldn't be so blue
Cause I'd have left my heart at home and played the game like y
ou
I'm hoping that you had your fun
Cause that handful of kisses has broken my fool heart in two
I gave you a love that was true for a heart that was fickle
I wish that I had known at the time
You had me fooled for a while cause I thought that you meant it
When you said that you would be mine
But now that we have said goodbye I see the light of day
I had a moment of happiness but what a price to pay
I traded a heart full of love for a handful of kisses that you
were just throwing away
