

My Blue Eyed Jane

Hank Locklin

The sweetest girl in all the world
Is my blue eyed Jane
We fell in love like turtle doves
While the moon was shining down.

I asked her then I asked her
When the wedding bells would ring
She said oh dear it seems so near
And this could happen here.

You're my little pal
And I never knew a sweeter gal
My little blue eyed Jane
I love you so.

And when the sun goes down
And the shadow's creeping over town
Just meet me in the lane
My blue eyed Jane.

Jannie dear, listen here
I've come to say farewell
The world is drear without you dear
But now I cannot linger here.

I'm going no way this very day
Oh, please come go with me
I'll be sad and blue awanting you
And longing all day through.

You're my blue eyed Jane
You'll always be the same sweet thing
I know you'll never change
I love you so.

And when the sun goes down
And the shadow's creeping over town
Then I'll come back again
My blue eyed Jane...
