## **Shame On You**

## **Hank Locklin**

Shame shame on you shame shame on you

Took my heart as a token when we heard it was broken

Hide your face shame on you

Shame shame on you shame shame on you

Took my car and my money tell you gal that ain't funny

Darn your hide shame on you

Shame shame on you shame shame on you

Ran around with other guy spend your life when I got wise

Foolish girl shame on you foolish girl shame on you
