

She Thinks I Still Care

Hank Locklin

Just because I asked a friend about her,
Just because I spoke her name somewhere,
Just because I dialed her number by mistake today,
She thinks I still care.

Just because I haunt the same old places,
Where the memory of her lingers everywhere,
Just because I'm not the happy guy I used to be,
She thinks I still care.

Oh if she's happy thinkin' I still need her,
Then let that silly notion bring her cheer,
Oh how could she ever be so foolish,
And where would she get such an idea?

Just because I asked a friend about her,
Just because I spoke her name somewhere,
Just because I saw her, then went all to pieces,
She thinks I still care.
She thinks I still care.
