Any Old Time

Hank Snow

Any old time, you want to come back home Drop me a line, and say no more you'll roam You had your chance to play the game fair When you left me, sweetheart You only left a load of care

Now that you're down
I'm going to stick by you
If you will only say
Your roamin' days are thru

Well, now, you'll find me here Like the day you left me alone Any old time You want to come back home
