

Down The Trail Of Achin' Hearts

Hank Snow

Down the trail of achin' hearts where nobody's hidin' their tears
You sent me there where sadness starts down the trail of achin' hearts
You told me I was your darling you kept me hanging around
Somebody else is your darling now lonesome and blue I'll be found
Down the trail...
Once I was passing your window under the light of a star
Somebody else played my love song and played it on my old guitar
Down the trail...
