Farther Along

Hank Snow

Tempted and tried We're oft made to wonder Why could it be thus All the day long When there are others Living about us Never molested Though in the wrong Farther along We'll know all about it Farther along We'll understand why Cheer up my brother Live in the sunshine We'll understand it all By and by

When death has come
And taken our loved ones
It's leaving our home
So lonely and drear
Then do we wonder
Why others prosper
Living so wicked
Year after year
Farther along
We'll know all about it
