

Honey

Hank Snow

See the tree how big it's grown but friends it hasn't been too
long it wasn't big
I laughed at her and she got mad the first day that she planted
it was just a twig
Then the first snow came and she ran out to brush the snow away
so it wouldn't die
Came running in all excited slipped and almost hurt herself and
I laughed till I cried
She was always young at heart kinda dumb and kinda smart and I
loved her so
I surprised her with a puppy kept me up all Christmas Eve two y
ears ago
And it would sure embarrass her when I came home from working l
ate cause I would know
That she'd been sitting there and crying over some sad and sill
y late late show
And honey I miss you and I'm being good and I'd love to be with
you if only I could
She wrecked the car and she was sad so afraid that I'd be mad b
ut what the heck
Though I pretended hard to be guess you could say she saw throu
gh me and hugged my neck
I came home unexpectedly and found her crying needlessly in the
middle of the day
And it was in the early spring when flowers bloom and robins si
ng she went away
And honey I miss you and I'm being good and I'd love to be with
you if only I could
Yes one day whle I wasn't home while she was there and all alon
e the angels came
Now all I have is memories of honey and I wake up nights and ca
ll her name
Now my life's an empty stage where honey lived and honey played
and love grew up
A small cloud passes overhead and cries down on the flower bed
where honey loved
And honey I miss you and I'm being good and I'd love to be with
you if only I could
