

I Almost Lost My Mind

Hank Snow

When I lost my baby
I almost lost my mind
When I lost my baby
I almost lost my mind
My head is in a spin
Since she left me behind.

I pass a million people
I can't tell who I meet
I pass a million people
I can't tell who I meet
'Cause my eyes are full of tears
Where can my baby be?

I went to see the Gypsy
And I had my fortune read
I went to see the Gypsy
I had my fortune read
Then I hung my head in sorrow
When she said what she said.

Now I can tell you people
The news was not so good
Now I can you people
The news was not so good
She said your baby's gonna quit you
This time she's gone for good...
