(I love you most of all because you're you)

I love you because you understand, dear Every single thing I try to do You're always there to lend a helping hand, dear I love you most of all because you're you

No matter what the world may say about me I know your love will always see me through I love you for the way you never doubt me But most of all I love you 'cause you're you

I love you because my heart is lighter Every time I'm walking by your side I love you because the future's brighter The door to happiness, you open wide

( No matter what may be the style or season
I know your heart will always be true )
I love you for a hundred thousand reasons
But most of all I love you 'cause you're you
