

# I Wonder Where You Are Tonight

Hank Snow

Tonight I'm sad, my heart is weary  
I'm wond'ring if I'm wrong or right  
although' you've gone and found another  
I wonder where you are tonight.

That old rain is cold and slowly fallin'  
Upon my window pane tonight  
And tho' your love was even colder  
I wonder where you are tonight.

Your heart was cold, you never loved me  
Tho' you said you often cared  
And now you've gone and found another  
Someone who knows the love I shared.

That old rain is cold and slowly fallin'  
Upon my window pane tonight  
And tho' your love was even colder  
I wonder where you are tonight.

Then came the dawn that day you left me  
I tried to smile with all my might  
But you could see the pain within me  
That lingers in my heart tonight.

That old rain is cold and slowly fallin'  
Upon my window pane tonight  
And tho' your love was even colder  
I wonder where you are tonight.
