

## It Just Happened That Way

Hank Snow

I didn't plan to fall in love with you it just happened that way  
And all the time inside my heart I knew that I'd regret it some day  
Now I can't stand to be away from you but I'm alone every day  
I didn't plan to fall in love with you it just happened that way

I saw you and I loved you why I'll never know  
There wasn't one chance in a million that our love would grow  
You were too far up above me any fool could plainly see  
But like driftwood on the river I floated on helplessly  
I didn't plan to fall...
