Memories Are Made Of This

Hank Snow

Take one fresh and tender kiss
Add one stolen night of bliss
One girl, one boy, some grief, some joy
Memories are made of this.

Don't forget a small moonbeam Fold in lightly with a dream Your lips and mine, two sips of wine Memories are made of this.

Then add the wedding bells
One house where lovers dwell
Three little kids for the flavor
Stir carefully through the days
See how the flavor stays
These are the dreams you will savour.

With his blessings from above Serve it generously with love One man, one wife, one love true life Memories are made of this.
