

The Greatest Sin

Hank Snow

Did I commit the greatest sin
Was it on my wedding day
I married someone else not you
I I thought I'd spied you there that day.

We quarrelled and I took the ring
That you gave back to me
And gave it to somebody
Who has loved me faithfully.

I married her but I love you
And I know you love me too
Mine is the Greatest sin because
I ruined her life, mine and yours.

We quarrelled and I took the ring
That you gave back to me
And gave it to somebody
Who loved me faithfully.

I married her but I love you
And I know you love me too
Mine is the greatest sin because
I ruined her life, mine and yours...
