

# With This Ring I Thee Wed

Hank Snow

(Spoken) With this ring I thee wed

An angel here beside me  
Just a moment more and heaven will be mine  
With this ring I thee wed  
As every dream inside me  
Comes true each time I hear the church bells chime

This little band of gold I hold  
Will soon be on your finger  
A kiss, a vow, a moment so divine  
With this ring I thee wed  
And now you're mine forever  
To have and hold until the end of time

With our hearts tied as one  
We leave the church together  
Together as we know we'll always be  
In a life just begun  
This day will live forever  
Like blossoms in a treasured memory

Your big bouquet may fade away  
But as the years go by dear  
I'll take your hand and say each day anew  
With this ring I thee wed  
I vow I love you truly  
And every day you'll hear me say I do
