

He'll Have To Go

Hank Thompson

Put your sweet lips a little closer to the phone
Let's pretend that we're together all alone
I'll tell the man to turn the jukebox way down low
And you can tell your friend there with you he'll have to go
Whisper to me tell me do you love me true or is he holding you
the way I do
Though love is blind make up your mind I've got to know
Should I hang up or will you tell him he'll have to go
You can say the words I wanna hear while you're with another ma
n
Do you want me answer yes or no darling I will understand
Put your sweet lips a little closer to the phone
Let's pretend that we're together all alone
I'll tell the man to turn the jukebox way down low
And you can tell your friend there with you he'll have to go
