

# Heart Full Of Love

Hank Thompson

I traded a heart full of love for a handful of kisses  
That you were just throwing away  
I traded a lifetime of dream for a few carefree moments  
That you felt like wasting that day  
If I had known you didn't care I wouldn't be so blue  
Cause I'd have left my heart at home and played the game like you  
I'm hoping that you had your fun cause that handful of kisses  
Has broken my trusting heart in two  
I gave you a love that was true for a heart that was fickle  
I wish I had known at the time  
You had me fooled for a while cause I thought that you meant it  
When you said that you would be mine  
But now that we have said goodbye I see the light of day  
I had a moment of happiness but what a price to pay  
I traded a heart full of love for a handful of kisses  
That you were just throwing away
