

# Humpty Dumpty Heart

Hank Thompson

I've got a Humpty Dumpty heart  
You dropped it and broke it apart  
All the king's horses, all the king's men  
Could never put it together again

But when I gave to you my heart  
You said that we must part  
That was my doom, my heart went boom  
I got a Humpty Dumpty heart

Now, my heart is a fragile thing  
When dropped it won't bounce or ring  
It ain't no joke 'cause when it's broke  
No love song will it sing

I've got a Humpty Dumpty heart  
You dropped it and broke it apart  
All the king's horses, all the king's men  
Could never put it together again

But when I gave to you my heart  
You said that we must part  
That was my doom, my heart went boom  
I got a Humpty Dumpty heart

I didn't think you were that sort  
When I handed you my heart  
You got it on a platter but you let it shatter  
My Humpty Dumpty heart

I've got a Humpty Dumpty heart  
You dropped it and broke it apart  
All the king's horses, all the king's men  
Could never put it together again

But when I gave to you my heart  
You said that we must part  
That was my doom, my heart went boom  
I got a Humpty Dumpty heart
