I Don't Hurt Anymore

Hank Thompson

I don't hurt anymore all my teardrops are dried

No more walking the floor with that ol' burning inside

Just to think it could be time has opened the door

It's so wonderful now it don't hurt anymore

No need to deny I wanted to cry the day you said we were throug h

But now that I find you're out of my mind I can't believe that it's true

I've forgotten somehow that I cared so before

It's so wonderful now it don't hurt anymore

No need to deny I wanted to cry
