## It's My Fault

## **Hank Thompson**

It's my fault now that I've lost you you were right to let me g o

People said it's gonna cost you I just said she'll never know I stepped around and kept on lying

I should have known that you'd catch up

Your faithful heart I kept denying it's my fault that you are g one

Now you can't live a life forever it overtakes you by and by The bonds of love it's sure to suffer it's my fault that you sa id goodbye
