## Pick Me Up On Your Way Down

## Hank Thompson

You were mine for just a while now you're puttin' on the style And you've never once looked back to your home across the track You're the gossip of the town but my heart can still be found Where you tossed it on the ground pick me up on your way down Pick me up on your way down when you're blue and all alone

When their glamor starts to bore you come on back where you bel ong When you've learned these things are true I'll be waiting here for you When you tumble to the ground pick me up on your way down They have changed your attitude made you haughty and so rude

Your new friends can take the blame underneath you're still the same You may be their pride and joy but they'll find another toy When your new love can't be found pick me up on your way down Pick me up on your way down
