

Shenandoah Waltz

Hank Thompson

In the Shenandoah Valley of Virginia
Lives a girl who is waiting just for me
Many times we waltzed in the moonlight
And in her loving arms I long to be

I miss her smiles in the moonlight
And I know she misses me too
In the Shenandoah Valley of Virginia
Lives a girl and I know her love is true

In the Shenandoah Valley of Virginia
Lives a girl who is waiting just for me
Many times we waltzed in the moonlight
And in her loving arms I long to be
