

What's Made Milwaukee Famous (had Made A Loser Out Of Me)

Hank Thompson

It's late and she's waiting and I know I should go home
But every time I start to leave they play another song
And someone buys another round then whenever drinks are free
What's made Milwaukee famous has made a fool out of me
Baby's begged me not to go so many times before
She says love and happiness can't live behind those swinging doors
Now she's gone and I'm to blame too late I finally see
What's made Milwaukee famous has made a loser out of me
Baby's begged me not to go...
What's made Milwaukee famous has made a loser out of me
