

Hellbilly

Hank Williams III

Well, hey there, mister man
What's that you say?
Well, you don't like our style
And you say that we're out of date

With a little bit of Hellbilly country music
A little bit of Hellbilly country music
A little bit of Hellbilly coming your way

I'm a little Hellbilly
I'm a little Hellbilly

Well is raised on a farm
And I drive my truck
And I milk them cows
And I don't give a fuck

Drink my wine
Nine to five
Catch catfish
And I like to fight

I'm a little Hellbilly
I'm a little Hellbilly

Well, I'm doing my time
And I drive my truck
And I don't give a fuck
When I'm stuck in the mud

Drink my beers
Raise my steers
I like country music
And I love Webb Pierce

I'm a little Hellbilly
I'm a little Hellbilly
