

Long Hauls & Close Calls

Hank Williams III

Well, I'm all strung out in Texas
And I'm lookin for a damn good time
Well, all my friends in Texas
they've already lost their mind

'Cause I've been drunk for 30 days
and I don't care if I die
and I'm livin' fast and hard
and that's the way I spend my time
and I don't need no one tryin' to tell me
how to live my own no-good life
My own hellbilly right

'Cause it's long, long, long, long hauls
and those close, close, close, close calls
'Cause the Devil is my friend
'Cause the Devil is my friend
'Cause the Devil is my friend
'Cause the Devil is my friend

'Cause I've been drunk for 30 days
and I don't care if I die
and I'm livin' fast and hard
and that's the way I spend my time
and I don't need no one tryin' to tell me
how to live my own no-good life
My own hellbilly right

'Cause it's long, long, long, long hauls
and those close, close, close, close calls
'Cause the Devil is my friend
'Cause the Devil is my friend
'Cause the Devil is my friend
'Cause the Devil is my friend
