

## Long Hauls & Close Calls

Hank Williams III

Well, I'm all strung out in Texas  
And I'm lookin for a damn good time  
Well, all my friends in Texas  
they've already lost their mind

'Cause I've been drunk for 30 days  
and I don't care if I die  
and I'm livin' fast and hard  
and that's the way I spend my time  
and I don't need no one tryin' to tell me  
how to live my own no-good life  
My own hellbilly right

'Cause it's long, long, long, long hauls  
and those close, close, close, close calls  
'Cause the Devil is my friend  
'Cause the Devil is my friend  
'Cause the Devil is my friend  
'Cause the Devil is my friend

'Cause I've been drunk for 30 days  
and I don't care if I die  
and I'm livin' fast and hard  
and that's the way I spend my time  
and I don't need no one tryin' to tell me  
how to live my own no-good life  
My own hellbilly right

'Cause it's long, long, long, long hauls  
and those close, close, close, close calls  
'Cause the Devil is my friend  
'Cause the Devil is my friend  
'Cause the Devil is my friend  
'Cause the Devil is my friend
