Long Hauls & Close Calls

Hank Williams III

Well, I'm all strung out in Texas And I'm lookin for a damn good time Well, all my friends in Texas they've already lost their mind

'Cause I've been drunk for 30 days and I don't care if I die and I'm livin' fast and hard and that's the way I spend my time and I don't need no one tryin' to tell me how to live my own no-good life My own hellbilly right

'Cause it's long, long, long, long hauls and those close, close, close, close calls 'Cause the Devil is my friend 'Cause the Devil is my friend 'Cause the Devil is my friend

'Cause I've been drunk for 30 days and I don't care if I die and I'm livin' fast and hard and that's the way I spend my time and I don't need no one tryin' to tell me how to live my own no-good life My own hellbilly right

'Cause it's long, long, long, long hauls and those close, close, close, close calls 'Cause the Devil is my friend 'Cause the Devil is my friend 'Cause the Devil is my friend
