

# Runnin' & Gunnin'

Hank Williams III

Well, I'm a runnin' and gunnin'  
A little bit crazy  
Got half drunk on the day they made me  
I don't know why, I guess it's in my genes

Well, I'm a runnin' and gunnin'  
A little bit shady  
Got half-stoned on the day they made me  
I don't know why, I guess I'm dangerous and mean

(You better)  
Look out, baby, oh, you better watch out  
Look out, baby, oh, you better watch out  
Look out, baby, I'm dangerous and mean

Look out, baby, oh, you better watch out  
Look out, baby, oh, you better watch out  
Look out, baby, I'll drop you to your knees

Well, I'm a runnin' and gunnin'  
A little bit shady  
Got tattooed on the day they made me  
I don't know why, I guess I'm dangerous and mean

Well, I've got my 4-speed, 2-door Chevy  
Driving outta hell  
Like Satan's gonna catch me  
I don't know why, I guess it's in my genes

(You better)  
Look out, baby, oh, you better watch out  
Look out, baby, oh, you better watch out  
Look out, baby, I'm dangerous and mean

Look out, baby, oh, you better watch out  
Look out, baby, oh, you better watch out  
Look out, baby, I'll drop you to your knees

Well, I'm a runnin' and gunnin'
