

Troopers Hollar

Hank Williams III

I'm running my dog in a Tennessee holler, listening to
what he's sayin' [x4]

Old Trooper done got that big ol coon, I can hear that's
what he's sayin' [x4]

He got that coon and now he's ready to see his bitch for
a lay [x4]

If you're steppin' on my land, you know what ol Troopers
gonna say [x4]

That suns goin' down, it's time to hit that shine again
today [x4]

I'm runnin my dog in a Tennesse holler, listening to what
he's sayin' [x4]
