

Walkin' With Sorrow

Hank Williams III

Well, walkin' with sorrow
Through a lonely day
With those empty bottles
Tryin' to ease my pain

And I'm still here drinkin'
Over the good ol' days
When I had my gal
And everything was okay

Well, walkin' with sorrow
Is a lonely way
With those empty bottles
Tryin' to ease my pain

And I'm still here thinkin'
About the good ol' days
When I had my gal
And everything was okay
