

Why Don't You Leave Me Alone

Hank Williams III

Well, last night you told me
That I ain't worth a dime
Well, don't worry, honey
'Cause I'm leaving this time

Why don't you leave me alone?
Why don't you leave me alone?
Well, your hillbilly daddy's packin'
And I'm gonna get gone

We never got along
I guess we never will
So I'm saying so long
It oughta give you a thrill

Why don't you leave me alone?
Why don't you leave me alone?
Well, your hillbilly daddy's packin'
And I'm gonna get gone

Well, I'm going joint-jumpin'
Down at Club 21
I ain't looking for a trouble
I just gotta have fun

Why don't you leave me alone?
Why don't you leave me alone?
Well, your hillbilly daddy is packin'
And I'm gonna get gone

You want a sensitive sissy
That'll hear your command
Not a hillbilly singer
With a five-piece band

Why don't you leave me alone?
Why don't you leave me alone?
Well, your hillbilly daddy's packin'
And I'm gonna get gone

Last night you told me
That I ain't worth a dime
Well, don't worry, honey
'Cause I'm leaving this time

Why don't you leave me alone?
Why don't you leave me alone?
Well, your hillbilly daddy is packin'
And I'm gonna get gone

Well, your hillbilly daddy's packin'
And I'm gonna get gone
