

All by Myself

Hank Williams Jr.

When I was young
I never needed anyone
And making love was just for fun
Those days are gone
Hard to be sure
Sometimes I feel so insecure
And loves so distant and obscure
Remains the cure

All by myself
Don't wanna be
All by myself
Anymore
All by myself
Don't wanna live
All by myself
Anymore

Livin'alone
I think of all the friends I've known
But when I call them on the phone
Nobody's home
Hard to be sure
Sometimes I feel so insecure
And loves so distant and obscure
Remains the cure

All by myself
Don't wanna be
All by myself
Anymore
All by myself
Don't wanna live
All by myself
Anymore

When I was young
I never needed anyone
And making love was just for fun
Those days are gone
Those days are gone
