All For the Love of Sunshine

Hank Williams Jr.

The darkness of my world was all cleared away The flowers are blooming, it's a beautiful day There's a girl with a heart as big as the sky She's sunshine and I know why

All for the love of sunshine All for the love of sunshine The Lord smiled down on this life of mine And sent me the love of sunshine

Though sunshine can always make my days seem bright Sunshine can warm up a cold, cold night I know my sunshine was sent from above An angel that's filled with love

All for the love of sunshine All for the love of sunshine The Lord smiled down on this life of mine And sent me the love of sunshine

Through winter, the springtime, the summer and fall The moonlight, the starlight, she outshines them all In a world filled with fear, with pain and such harm My sunshine can't be so warm

Now I live, all for the love of sunshine All for the love of sunshine The Lord smiled down on this life of mine And sent me the love of sunshine

All for the love of sunshine All for the love of sunshine The Lord smiled down on this life of mine And sent me the love of sunshine All for the love of sunshine All for the love of sunshine
