

## Custody

Hank Williams Jr.

Today dear you've heard a real grown up word  
When you've heard the judge say custody  
So little darling how I'd try before saying goodbye  
To explain what that word means to me

(Custody) custody means coming home at night  
To the emptiest house in this lonely world  
(Custody) and custody is just a picture in my WALLET  
And it's all that I've got left to my little girl  
(Custody) and custody means no more carryin' a sleepin' princess  
To her bed at the end of the day  
(Custody) and custody means that no more little girl  
With A SCRAPED KNEE will ask me to kiss her tears away  
Little angel don't cry now you can smile if you try  
You're going with mama so kiss daddy goodbye

(Custody) and custody means no more pretty little helper in blue jeans  
Follow me around when I cut THE LAWN  
(Custody) and custody means no more frightenin' little girl in my arms  
Durin' a thunder and a lightnin' storm  
(Custody) and custody means that this day ends just before it really begins  
(Custody) and custody means a fight between grownups that little girl never wins  
Little angel don't cry you can smile if you try  
You're goin' with mama so kiss daddy goodbye
